

[Resolution No. 54/14](#) of the Physical Planning Institute

When, due to the existence of urban and territorial regulations that prevent it, the owners of wasteland plots could not obtain authorization to use them in the construction of their own home, the DMPF may be interested in exchanging them for another property of the state, with the same or similar characteristics, if it exists. It must accompany by the title that accredits the land property, the Property Certification and Property Registry Gravamen.

The owner may also offer the land he owns for sale to the State. The application is submitted to the Physical Planning Officer (OGTV).

Term: 35 working days, 15 for the DMPF and 20 for the DPPF.
